

WELCOME

Established in 1981, Mykonos Greek Restaurant has grown to become a leader in traditional Greek cuisine. For 37 years, owner/chef Dimitrios "Jimmy" Merageas and his team have prepared timeless dishes with top quality ingredients hand-picked from all over the world including extra virgin olive oil, fresh cheeses, fish, delectable wines, spices and herbs proudly imported from Greece, top-of-the-line octopus directly imported from Spain, and prime American Colorado lamb. At Mykonos Greek Restaurant, we are well known for our philoxenia, which translates to "the hospitality of strangers." All patrons, new and old, are welcome to experience the invariable quality and freshness of our food in an atmosphere reminiscent of the lovely Greek island for which the restaurant is named. We promise to uphold the same level of satisfaction our patrons have enjoyed for the past 37 years. Opaa!
